EXAMINER'S AMENDMENT

1. The following is an examiner's statement of reasons for allowance:

The claims are allowable over the prior art of record because the prior art of record does not teach or suggest that the difference between the turbidities of the toners in a color image forming device is in the range of 5 to 45. The prior art of record teaches that a color toner in a color image forming device should have a turbidity of 10 to 50.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Prior Art
